

AFTERMATH

of the East Asian War of 1592-1598

Research Webinar

"Traces of the Japanese and Manchu Invasions through Household Registers of 17th Century Korea"

Dr. Sangwoo Han

(Assistant Professor, Ajou University, South Korea)

- **June 30, 2021, 3:00 PM (Barcelona, CEST) via ZOOM.**
- **The lecture will be recorded, but not the question round.**
- If you would like to attend the webinars, please contact barend.noordam@uab.cat.

This is the ninth session of the webinar series 2020-2021 of the ERC project team, "Aftermath of the East Asian War of 1592-1598". In this session Dr. Sangwoo Han, Assistant Professor of Ajou University in Suwon (South Korea), will share his thoughts on the traces left by the Japanese and Manchu invasions in the 17th-century household registers of Korea.

This project has received funding from the European Research Council (ERC) under the European Union's Horizon 2020 research and innovation programme (grant agreement No 758347)
