

AFTERMATH

of the East Asian War of 1592-1598

Research Webinar

" Authority and Technical Expertise: Mediating Military Knowledge of the Imjin War "

Dr. Barend Noordam

(Postdoctoral researcher, Universitat Autònoma de Barcelona)

- **July 14, 2021, 3:00 PM (Barcelona, CEST) via ZOOM.**
- **The lecture will be recorded, but not the question time.**
- If you would like to attend the webinars, please contact barend.noordam@uab.cat.

This is the eleventh session of the webinar series 2020-2021 of the ERC project team, "Aftermath of the East Asian War of 1592-1598". In this session Dr. Barend Noordam, postdoctoral researcher at the Universitat Autònoma de Barcelona, will share his thoughts on the mediation of Chinese military knowledge during and just after the Imjin War.

This project has received funding from the European Research Council (ERC) under the European Union's Horizon 2020 research and innovation programme (grant agreement No 758347)
