

AFTERMATH

of the East Asian War of 1592-1598

Research Webinar

"Artisan Squad: Technology, Innovation, and the Early Modern Craftscape in Post-Imjin Korea"

Hyeok Hweon Kang

(Assistant Professor, Washington University in St. Louis)

- **January 13, 2021, Thursday, 3:00 PM (Barcelona, CET) via ZOOM.**
- The lecture will not be recorded.
- If you would like to attend the webinars, please contact barend.noordam@uab.cat.

This is the fifth session of the webinar series 2021-2022 of the ERC project team, "Aftermath of the East Asian War of 1592-1598". In this session Hyeok Hweon Kang, Washington University in St. Louis, will share his thoughts on technology, innovation, and the early modern craftscape of Korea in the aftermath of the Imjin War.

This project has received funding from the European Research Council (ERC) under the European Union's Horizon 2020 research and innovation programme (grant agreement No 758347)
